Index to Volume 18

Subject index

Aboriginals, Australian
Apparent dietary intake in remote Aboriginal communities (Lee AJ et al.) **2** 190–7
Blood pressure, lipids and other risk factors for cardiovascular disease in Aborigines and persons of European descent of southeastern Australia (Guest CS et al.) **1** 79–86
Food habits in Aborigines and persons of European descent of southeastern Australia [correction] (Guest CS, O'Dea K) **1** 118
Food-purchasing behaviour in an Aboriginal community. 1. Results of a survey (Rowse T et al.) **1** 63–7
Food-purchasing behaviour in an Aboriginal community. 2. Evaluation of an intervention aimed at children (Scrimgeour D et al.) **1** 67–70
Housing for health: towards a healthy living environment for Aboriginal Australia (rev. McDermott R) **3** 349–50
Land, body and spirit—talking about adult mortality in an Aboriginal community (Weeramanthri T, Plummer C) **2** 197–200
Obstetrical outcomes of Aboriginal pregnancies at a major urban hospital (Najman JM et al.) **2** 185–9
Primary hepatocellular carcinoma in Aboriginal Australians (Wan X, Mathews JD) **3** 286–90
Sex, alcohol and violence: a community collaborative action against striptease shows (Boffa J et al.) **4** 359–66
Survival tucker: improved diet and health indicators in an Aboriginal community (Lee AJ et al.) **3** 277–85
Towards a direct definition of an alcohol-related death: an analysis in Aboriginal adults (Weeramanthri T et al.) **1** 71–8

abortion, induced
Abortion regimes (rev. Treloar S) **2** 230–1

accidents *see* injuries

acquired immune deficiency syndrome
AIDS prevention and care in Asia and the Pacific: what has Australia to offer [editorial] (Moodie R et al.) **1** 4–6
Assessment of self-report in HIV surveillance: a pilot study (McDonald A et al.) **4** 429–32
Falling incidence of HIV infection in a cohort of clinic attenders [correction] (Kaldor J et al.) **1** 118
HIV revisited: preventing the spread of blood-borne viruses among injecting drug users [editorial] (Wodak A, Crofts N) **3** 239–41
Knowledge and practice of sexual safety in Melbourne gay men in the nineties (Ridge DT et al.) **3** 319–25
Longitudinal predictors of burnout in HIV/AIDS health professionals (Bennett L, Kelaher M) **3** 334–6
Prevention issues at the Tenth International Conference on AIDS [report from overseas] (Kelaher M) **4** 452–4
Privacy, confidentiality and HIV/AIDS health care (Magnusson RS) **1** 51–8

adolescence
Effects of publicity and a warning letter on illegal cigarette sales to minors (Chapman S et al.) **1** 39–42
Religiosity, sexual intercourse and condom use among university students (Dunne MP et al.) **3** 339–41
Seven-year follow-up of a smoking-prevention program for children (Shean RE et al.) **2** 205–8
Young women and sexually transmitted diseases: the issues for public health (Wyn J) **1** 32–9

aged care
The impact of caring upon the health of older women (Rosenman L et al.) **4** 440–4

AIDS *see* acquired immune deficiency syndrome

air pollution
Chemical crisis (rev. Short K) **4** 458

alcohol advertising
Sex, alcohol and violence: a community collaborative action against striptease shows (Boffa J et al.) **4** 359–66

alcohol use
Towards a direct definition of an alcohol-related death: an analysis in Aboriginal adults (Weeramanthri T et al.) **1** 71–8

America *see* United States

antenatal care *see* pregnancy

arthritis
Prevalence of medically confirmed arthritis (Leach G et al.) [letter] **2** 226 [correction] **3** 345

Asia
AIDS prevention and care in Asia and the Pacific: what has Australia to offer [editorial] (Moodie R et al.) **1** 4–6
Asia and Pacific population and development: the issue for the twenty-first century [editorial] (Lawson JS) **1** 6–7

attitudes
The behavioural epidemiology of weight control (Crawford D, Owen N) **2** 143–8
Sexual attitudes and lifestyles (rev. Richters J) **2** 232–4
see also health beliefs

behaviour *see* health behaviour

beliefs *see* health beliefs

bioethics *see* medical ethics

biostatistics
Biostatistics: experimental design and statistical inference (rev. Lim L-LY) **1** 119
Redefining the unacceptable [Gordon Oration] (Dobson AJ) **1** 9–14
Statistical models for longitudinal studies of health (rev. Dobson AJ) **2** 228–9

breast cancer
Participation in breast cancer screening: randomised controlled trials of doctors' letters and of telephone reminders (Richardson A et al.) **3** 290–2
Will early detection of breast cancer reduce the costs of treatment? (Salkeld G, Gerard K) **4** 390–3

breastfeeding
Australian breastfeeding rates: the challenge of monitoring (Lund-Adams M, Heywood P) **3** 337–9

cancer
Illnesses that Australians most feared in 1986 and 1993 (Borland R et al.) **4** 366–9
Influence of socioeconomic status, ethnicity and an educational brochure on compliance with a postal faecal occult blood test (King J et al.) **1** 87–92
Primary hepatocellular carcinoma in Aboriginal Australians (Wan X, Mathews JD) **3** 286–90
Prostate cancer screening and men's health [point of view] (Fletcher R) **4** 449–51
What causes basal cell carcinoma to be the commonest cancer? (Gilbody JS et al.) **2** 218–21
see also breast cancer; prostate cancer; skin cancer

cardiovascular disease
Age-specific patterns of mortality from cardiovascular disase and other major causes, 1969 to 1990 (Russell MA, Dobson AJ) **2** 160–4
Assessing utilisation of health technologies: coronary artery bypass graft surgery in New South Wales (Rushworth RL et al.) **1** 101–5
Blood pressure, lipids and other risk factors for cardiovascular disease in Aborigines and persons of European descent of southeastern Australia (Guest CS et al.) **1** 79–86
Cardiovascular risk factors in South Australians with diabetes (Phillips P et al.) **4** 445–9
The cost-effectiveness of different blood-cholesterol-lowering strategies in the prevention of coronary heart disease (Kinlay S et al.) **1** 105–10
Inequalities in risk factors and cardiovascular mortality among Australia's immigrants [correction] (Bennett SA) **1** 118

casemix funding
Hospital inpatient costs resulting from road crashes in Western Australia (Hendrie D et al.) **4** 380–8
How viable is Victoria's funding policy? [editorial] (Braithwaite J) **4** 355–7
Purchaser/provider separation and managed competition: reform options for Australia's health system (Street A) **4** 369–79

cervical smears
Evaluation of the New South Wales Cancer Council Pap Test Reminder Service (Mills AE et al.) Postscript (Taylor Y) **2** 170–5
Increasing response rates of gynaecologists to a survey: a randomised trial of telephone prompts (Ward J, Wain G) **3** 332–4
Who has Pap smears in New South Wales? Patterns of screening across sociodemographic groups (Shelley JM et al.) **4** 406–11

childbirth
Birth events, birth experiences and social differences in postnatal depression (Astbury J et al.) **2** 176–84
Obstetrical outcomes of Aboriginal pregnancies at a major urban hospital (Najman JM et al.) **2** 185–9

child health
Access to health care for children in low-income families (Taylor J) **1** 111–13
Australian breastfeeding rates: the challenge of monitoring (Lund-Adams M, Heywood P) **3** 337–9
Childhood immunisation: factors associated with failure to complete the recommended schedule by two years of age (Hanna JN et al.) **1** 15–21
Children's lives or garden aesthetics? A case study in public health advocacy (Carey V et al.) **1** 25–32
An economic analysis of alternatives for childhood immunisation against *Haemophilus influenzae* type b disease (McIntyre P et al.) **4** 394–400
Environmental factors and child pedestrian injuries (Roberts I et al.) **1** 43–6
An evaluation of school entry immunisation certificates in Victoria (Thompson SC et al.) **3** 267–73
Food-purchasing behaviour in an Aboriginal community. 2. Evaluation of an intervention aimed at children (Scrimgeour D et al.) **1** 67–70
Immunisation practices of general practitioners in metropolitan Sydney (Rixon G et al.) **3** 258–60
Legislation for school entry immunisation certificates in Victoria (Thompson SC et al.) **3** 261–6
Measles control: a best-practice challenge in public health [editorial] (Hawe P) **3** 241–3
An outbreak of measles in a highly immunised population: immunisation status and vaccine efficacy (Herceg A et al.) **3** 249–52
Preventing child pedestrian injury: pedestrian education or traffic calming (Roberts I et al.) **2** 209–12
Swimming pools and drowning [editorial] (Nixon J) **1** 3

chiropractic
Chiropractic and the politics of health care (O'Neill A, Willis E) **3** 325–31

cholesterol *see* cardiovascular disease; risk factors

class, social *see* socioeconomic factors

community development
Community development in health promotion: empowerment or regulation? (Petersen AR) **2** 213–17
Food-purchasing behaviour in an Aboriginal community. 1. Results of a survey (Rowse T et al.) **1** 63–7
Food-purchasing behaviour in an Aboriginal community. 2. Evaluation of an intervention aimed at children (Scrimgeour D et al.) **1** 67–70
Sex, alcohol and violence: a community collaborative action against striptease shows (Boffa J et al.) **4** 359–66

community health
Adults with acquired hearing loss: identification and referral patterns of community health workers (Reed VA et al.) **2** 223–5
The impact of caring upon the health of older women (Rosenman L et al.) **4** 440–4
True Believers? Characteristics of general practitioners in Victorian community health centres (Montalto M et al.) **4** 424–8

consumers
Effects of publicity and a warning letter on illegal cigarette sales to minors (Chapman S et al.) **1** 39–42
Food-purchasing behaviour in an Aboriginal community. 1. Results of a survey (Rowse T et al.) **1** 63–7
Food-purchasing behaviour in an Aboriginal community. 2. Evaluation of an intervention aimed at children (Scrimgeour D et al.) **1** 67–70

coronary heart disease *see* cardiovascular disease; heart disease

cost analysis
A cost analysis of early discharge and domiciliary visits versus standard hospital care for low-risk obstetric clients (Scott A) **1** 96–100
Cost-effectiveness analysis of hormone replacement therapy and lifestyle intervention for hip fracture (Geelhoed E et al.) **2** 153–60
The cost-effectiveness of different blood-cholesterol-lowering strategies in the prevention of coronary heart disease (Kinlay et al.) **1** 105–10
Cost-effectiveness of recruitment methods in a population-based epidemiological study: the Melbourne Visual Impairment Project (Livingston PM et al.) **3** 314–18
An economic analysis of alternatives for childhood immunisation against *Haemophilus influenzae* type b disease (McIntyre P et al.) **4** 394–400
Hospital inpatient costs resulting from road crashes in Western Australia (Hendrie D et al.) **4** 380–8
Will early detection of breast cancer reduce the costs of treatment? (Salkeld G, Gerard K) **4** 388–93

deafness *see* hearing loss

death *see* mortality

dementia
Dementia-free life expectancy in Australia (Ritchie K et al.) **2** 149–52

diabetes
Cardiovascular risk factors in South Australians with diabetes (Phillips P et al.) **4** 445–9
Mortality and coronary heart disease in diabetes mellitus (McCann VJ et al.) **1** 92–5

diet *see* nutrition

disease outbreak investigation
Legionnaires' disease outbreak, Fairfield 1992: public health aspects (Levy M et al.) **2** 137–43
An outbreak of measles in a highly immunised population: immunisation status and vaccine efficacy (Herceg A et al.) **3** 249–52

domiciliary care *see* home care

drinking *see* alcohol use

drug use, illicit
HIV revisited: preventing the spread of blood-borne viruses among injecting drug users [editorial] (Wodak A, Crofts N) **3** 239–41
Jabs in the dark: injecting equipment found in prisons, and the risks of viral transmission (Seamark R, Gaughwin M) **1** 113–16
Mark-recapture estimates of injecting drug users in Sydney (Duque-Portugal F et al.) **2** 201–4

dying *see* palliative care

economics *see* health economics

education, medical *see* health education

environment
Chemical crisis (rev. Short K) **4** 458
Environmental factors and child pedestrian injuries (Roberts I et al.) **1** 43–6
Preventing child pedestrian injury: pedestrian education or traffic calming (Roberts I et al.) **2** 209–12

epidemiology
The behavioural epidemiology of weight control (Crawford D, Owen N) **2** 143–8
Epidemiology and control of neural tube defects (rev. Field B) **2** 231–2
The health of populations (rev. Lawson JS) **4** 458
Long live Australian cohort studies! [editorial] (Adams T) **2** 127
Mortality trends, 1965 to 1989, in Busselton, the site of repeated health surveys and interventions (Knuiman MW et al.) **2** 129–35
Statistical models for longitudinal studies of health (rev. Dobson AJ) **2** 228–9
Surveillance for *Bordetella pertussis* infection in Victoria (MacIntyre R, Hogg G) **1** 21–4

see also methodology, epidemiological

equity
Access to health care for children in low-income families (Taylor J) **1** 111–13
Inequalities in risk factors and cardiovascular mortality among Australia's immigrants [correction] (Bennett SA) **1** 118

see also socioeconomic factors

ethics *see* medical ethics

ethnic groups *see* immigrants

evaluation
Evaluating health services' effectiveness. A guide for health professionals, service managers and policy managers (rev. Short LM) **4** 455–6
Evaluation of the New South Wales Cancer Council Pap Test Reminder Service (Mills AE et al.) Postcript (Taylor Y) **2** 170–5
An evaluation of school entry immunisation certificates in Victoria (Thompson SC et al.) **3** 267–73
Mortality trends, 1965 to 1989, in Busselton, the site of repeated health surveys and interventions (Knuiman MW et al.) **2** 129–35
Patients, policies and politics (rev. Sara T) **4** 459
Seven-year follow-up of a smoking-prevention program for children (Shean RE et al.) **2** 205–8
Surveillance for *Bordetella pertussis* infection in Victoria (MacIntyre R, Hogg G) **1** 21–4

eye conditions
Cost-effectiveness of recruitment methods in a population-based epidemiological study: the Melbourne Visual Impairment Project (Livingston PM et al.) **3** 314–18
Reducing vision loss in the community: a public health priority [editorial] (Livingston PM, Taylor HR) **1** 7–8

food *see* nutrition

food consumption studies
Apparent dietary intake in remote Aboriginal communities (Lee AJ et al.) **2** 190–7
Food habits in Aborigines and persons of European descent of southeastern Australia [correction] (Guest CS, O'Dea K) **1** 118
Food-purchasing behaviour in an Aboriginal community. 1. Results of a survey (Rowse T et al.) **1** 63–7
Food-purchasing behaviour in an Aboriginal community. 2. Evaluation of an intervention aimed at children (Scrimgeour D et al.) **1** 67–70
The implications of underreporting in dietary studies (Smith WT et al.) **3** 311–14
Survival tucker: improved diet and health indicators in an Aboriginal community (Lee AJ et al.) **3** 277–85

fractures
Cost-effectiveness analysis of hormone replacement therapy and lifestyle intervention for hip fracture (Geelhoed E et al.) **2** 153–60

gay communities
Knowledge and practice of sexual safety in Melbourne gay men in the nineties (Ridge DT et al.) **3** 319–25

general practitioners
General practitioners' estimates of the ideal benign-to-malignant ratio for excised pigmented lesions [letter] (Ward J, Boyle K) **4** 454–5
Melanocytic lesions excised from the skin: what percentage are malignant? (Del Mar C et al.) **2** 221–3
A sampling framework for rural and remote doctors (Hays RB et al.) **3** 273–6
True Believers? Characteristics of general practitioners in Victorian community health centres (Montalto M et al.) **4** 424–8

health behaviour
The behavioural epidemiology of weight control (Crawford D, Owen N) **2** 143–8
Jabs in the dark: injecting equipment found in prisons, and the risks of viral transmission (Seamark R, Gaughwin M) **1** 113–16
Knowledge and practice of sexual safety in Melbourne gay men in the nineties (Ridge DT et al.) **3** 319–25
Weight-loss strategies and beliefs in high and low socioeconomic areas of Melbourne (Paxton SJ et al.) **4** 412–17

health beliefs
Illnesses that Australians most feared in 1986 and 1993 (Borland R et al.) **4** 366–9
Weight-loss strategies and beliefs in high and low socioeconomic areas of Melbourne (Paxton SJ et al.) **4** 412–17

health care funding *see* casemix funding; health economics

health economics
Are other methods better than QALYs? [letter] (Kemp R) **1** 117
A cost analysis of early discharge and domiciliary visits versus standard hospital care for low-risk obstetric clients (Scott A) **1** 96–100

Cost-effectiveness analysis of hormone replacement therapy and lifestyle intervention for hipfracture (Geelhoed E et al.) 2 153–60
The cost-effectiveness of different blood-cholesterol-lowering strategies in the prevention of coronary heart disease (Kinlay et al.) 1 105–10
An economic analysis of alternatives for childhood immunisation against *Haemophilus influenzae* type b disease (McIntyre P et al.) 4 394–400
Economics and health: 1993. Proceedings of the Fifteenth Australian Conference of Health Economists (rev. Mooney G) 3 348–9
Financing health care in the 1990s (rev. Dugdale P) 3 346–8
Hospital inpatient costs resulting from road crashes in Western Australia (Hendrie D et al.) 4 380–8
How viable is Victoria's funding policy? [editorial] (Braithwaite J) 4 355–7
The New South Wales health outcomes initiative and economic analysis (Mooney G et al.) 3 244–8
Purchaser/provider separation and managed competition: reform options for Australia's health system (Street A) 4 369–79
QALYs for resource allocation: a rejoinder to a reply [letter] (Burrows C, Brown K) 1 116–17
QALYs: simple sheep's clothing for complex wolves? [letter] (Burton P, Kurinczuk J) 1 117–18
Quality-adjusted life years: a reply [letter] (Richardson J, Schwartz S) 2 227–8
Will early detection of breast cancer reduce the costs of treatment? (Salkeld G, Gerard K) 4 388–93

health education
Improving our self-episteme [editorial] (Leeder S) 4 355
Reducing vision loss in the community: a public health priority [editorial] (Livingston PM, Taylor HR) 1 7–8

health policy
Abortion regimes (rev. Treloar S) 2 230–1
An evaluation of school entry immunisation certificates in Victoria (Thompson SC et al.) 3 267–73
Are other methods better than QALYs? [letter] (Kemp R) 1 117
The future for palliative care. Issues for policy and practice (rev. Turner J) 3 346
Health care and public policy (rev. Lloyd P) 2 229–30
How viable is Victoria's funding policy? [editorial] (Braithwaite J) 4 355–7
Intersectoral policy reform is critical to the National Mental Health Strategy (Whiteford H) 3 342–4
Legislation for school entry immunisation certificates in Victoria (Thompson SC et al.) 3 261–6
Patients, policies and politics (rev. Sara T) 4 459
Position statement of the Thoracic Society of Australia and New Zealand on smokers' compensation [letter] (Musk AW et al.) 3 345
Public health and national health policy [editorial] (Lloyd P) 4 357–8
QALYs for resource allocation: a rejoinder to a reply [letter] (Burrows C, Brown K) 1 116–17
QALYs: simple sheep's clothing for complex wolves? [letter] (Burton P, Kurinczuk J) 1 117–18
Quality-adjusted life years: a reply [letter] (Richardson J, Schwartz S) 2 227–8
Redefining the unacceptable [Gordon Oration] (Dobson A) 1 9–14
Reducing vision loss in the community: a public health priority [editorial] (Livingston PM, Taylor HR) 1 7–8
Why openness with health inspectors pays (Rickwood D, Braithwaite J) 2 165–9

health program evaluation *see* evaluation

health promotion
Community development in health promotion: empowerment or regulation? (Petersen AR) 2 213–17
Enhancing the early detection of melanoma within current guidelines (Balanda KP et al.) 4 420–3
Impact of a promotion program for hepatitis B immunisation (Salmond CE et al.) 3 253–7
Redefining the unacceptable [Gordon Oration] (Dobson A) 1 9–14
Skin cancer prevention: a link between primary prevention and early detection? (Anderson PJ et al.) 4 417–20

health services
Assessing utilisation of health technologies: coronary artery bypass graft surgery in New South Wales (Rushworth RL et al.) 1 101–5
Chiropractic and the politics of health care (O'Neill A, Willis E) 3 325–31
Evaluating health services' effectiveness. A guide for health professionals, service managers and policy managers (rev. Short LM) 4 455–6
Health in rural North America: the geography of health care services and delivery (rev. Hegney D) 1 120–1
Longitudinal predictors of burnout in HIV/AIDS health professionals (Bennett L, Kelaher M) 3 334–6
Purchaser/provider separation and managed competition: reform options for Australia's health system (Street A) 4 369–79
Surveillance for sexually transmissible diseases in Victoria, 1983 to 1992 (Crofts N et al.) 4 433–9
True Believers? Characteristics of general practitioners in Victorian community health centres (Montalto M et al.) 4 424–8

health surveys *see* survey methodology

hearing loss
Adults with acquired hearing loss: identification and referral patterns of community health workers (Reed VA et al.) 2 223–5

heart disease
Assessing utilisation of health technologies: coronary artery bypass graft surgery in New South Wales (Rushworth RL et al.) 1 101–5
A cost analysis of early discharge and domiciliary visits versus standard hospital care for low-risk obstetric clients (Scott A) 1 96–100
The cost-effectiveness of different blood-cholesterol-lowering strategies in the prevention of coronary heart disease (Kinlay S et al.) 1 105–10
Illnesses that Australians most feared in 1986 and 1993 (Borland R et al.) 4 366–9
Mortality and coronary heart disease in diabetes mellitus (McCann VJ et al.) 1 92–5

hepatitis
HIV revisited: preventing the spread of blood-borne viruses among injecting drug users[editorial] (Wodak A, Crofts N) 3 239–41
Impact of a promotion program for hepatitis B immunisation (Salmond CE et al.) 3 253–7
Primary hepatocellular carcinoma in Aboriginal Australians (Wan X, Mathews JD) 3 286–90

heterosexuals
Assessment of self-report in HIV surveillance: a pilot study (McDonald A et al.) 4 429–32

hip fracture
Cost-effectiveness analysis of hormone replacement therapy and lifestyle intervention for hip fracture (Geelhoed E et al.) 2 153–60

history of public health
History for nurses [letter] (DeVries S) 1 116
A history of public health (rev. Kerr C) 1 121–2

HIV (human immunodeficiency virus) *see* acquired immune deficiency syndrome

home care
The impact of caring upon the health of older women (Rosenman L et al.) 4 440–4

homicide
Homicide victims among Australian immigrants (Kliewer EV) **3** 304–9

hospitals
A cost analysis of early discharge and domiciliary visits versus standard hospital care for low-risk obstetric clients (Scott A) **1** 96–100
A hospital handbook on multiculturalism and religion (rev. Rychetnik L) **4** 456–7
Hospital inpatient costs resulting from road crashes in Western Australia (Hendrie D et al.) **4** 380–8
How viable is Victoria's funding policy? [editorial] (Braithwaite J) **4** 355–7
Obstetrical outcomes of Aboriginal pregnancies at a major urban hospital (Najman JM et al.) **2** 185–9

housing
Housing for health: towards a healthy living environment for Aboriginal Australia (rev. McDermott R) **3** 349–50
human immunodeficiency virus *see* acquired immune deficiency syndrome

immigrants
Homicide victims among Australian immigrants (Kliewer EV) **3** 304–9
A hospital handbook on multiculturalism and religion (rev. Rychetnik L) **4** 456–7
Inequalities in risk factors and cardiovascular mortality among Australia's immigrants [correction] (Bennett SA) **1** 118
Who has Pap smears in New South Wales? Patterns of screening across sociodemographic groups (Shelley JM et al.) **4** 406–11

immunisation
Childhood immunisation: factors associated with failure to complete the recommended schedule by two years of age (Hanna JN et al.) **1** 15–21
An economic analysis of alternatives for childhood immunisation against *Haemophilus influenzae* type b disease (McIntyre P et al.) **4** 394–400
An evaluation of school entry immunisation certificates in Victoria (Thompson SC et al.) **3** 267–73
Immunisation practices of general practitioners in metropolitan Sydney (Rixon G et al.) **3** 258–60
Impact of a promotion program for hepatitis B immunisation (Salmond CE et al.) **3** 253–7
Legislation for school entry immunisation certificates in Victoria (Thompson SC et al.) **3** 261–6
Measles control: a best-practice challenge in public health [editorial] (Hawe P) **3** 241–3
An outbreak of measles in a highly immunised population: immunisation status and vaccine efficacy (Herceg A et al.) **3** 249–52
Surveillance for *Bordetella pertussis* infection in Victoria (MacIntyre R, Hogg G) **1** 21–4

infants *see* child health

infectious diseases
Legionnaires' disease outbreak, Fairfield 1992: public health aspects (Levy M et al.) **2** 137–43
Surveillance for *Bordetella pertussis* infection in Victoria (MacIntyre R, Hogg G) **1** 21–4
Surveillance for sexually transmissible diseases in Victoria, 1983 to 1992 (Crofts N et al.) **4** 433–9

injuries
Cost-effectiveness analysis of hormone replacement therapy and lifestyle intervention for hip fracture (Geelhoed E et al.) **2** 153–60
Environmental factors and child pedestrian injuries (Roberts I et al.) **1** 43–6
Hospital inpatient costs resulting from road crashes in Western Australia (Hendrie D et al.) **4** 380–8
Preventing child pedestrian injury: pedestrian education or traffic calming? (Roberts I et al.) **2** 209–12

knowledge, attitudes and practice *see* health behaviour; health beliefs; health promotion

mammography *see* breast cancer

mass media
Children's lives or garden aesthetics? A case study in public health advocacy (Carey V et al.) **1** 25–32
Sex, alcohol and violence: a community collaborative action against striptease shows (Boffa J et al.) **4** 359–66

measles immunisation *see* immunisation

medical ethics
Privacy, confidentiality and HIV/AIDS health care (Magnusson RS) **1** 51–8

medical practice
Diagnostic testing during pregnancy—a descriptive analysis of utilisation data (Rushworth RL et al.) **4** 401–6
True Believers? Characteristics of general practitioners in Victorian community health centres (Montalto M et al.) **4** 424–8

medical profession *see* health professions

medical technology
Assessing utilisation of health technologies: coronary artery bypass graft surgery in New South Wales (Rushworth RL et al.) **1** 101–5

Medicare
Diagnostic testing during pregnancy—a descriptive analysis of utilisation data (Rushworth RL et al.) **4** 401–6

melanoma *see* skin cancer

men's health
Political dreaming: men, politics and the personal (rev. Rutnam R) **3** 349
Prostate cancer screening and men's health [point of view] (Fletcher R) **4** 449–51

mental health services
Intersectoral policy reform is critical to the National Mental Health Strategy (Whiteford H) **3** 342–4
Mental and physical health status in a community sample of New Zealand war veterans (Vincent et al.) **1** 58–62
A sociology of mental health and illness (rev. Crocker T) **4** 457

methodology, epidemiological
Cost-effectiveness of recruitment methods in a population-based epidemiological study: the Melbourne Visual Impairment Project (Livingston PM et al.) **3** 314–18
The implications of underreporting in dietary studies (Smith WT et al.) **3** 311–14
Land, body and spirit—talking about adult mortality in an Aboriginal community (Weeramanthri T, Plummer C) **2** 197–200
Mark-recapture estimates of injecting drug users in Sydney (Duque-Portugal F et al.) **2** 201–4
Participation in breast cancer screening: randomised controlled trials of doctors' letters and of telephone reminders (Richardson A et al.) **3** 290–2
A sampling framework for rural and remote doctors (Hays RB et al.) **3** 273–6

migrants *see* immigrants

modelling, mathematical *see* biostatistics

mortality
Age-specific patterns of mortality from cardiovascular disase and other major causes, 1969 to 1990 (Russell MA, Dobson AJ) **2** 160–4
Dementia-free life expectancy in Australia (Ritchie K et al.) **2** 149–52
